

Colin Receveur to Dale

11:47 AM

Ms. Brewer,

Please see attached. If this suffices, I will deliver to the City promptly.

Please note, I specifically enumerated these documents had not been produced as part of my followup documents to my original records request. The City has been filed an action against me with these records as the basis of their position, yet have not released the records to me.

Should the City fail to release these documents to me, should I contact the Public Access Counselor with a new complaint, or will a follow-up to 17-FC-24 be issued? How long should I wait?

Keep Moving Forward,
Colin

Ms. Brewer,

If I amend my records request for specifically:

- The original building permit
- Driveway permits & curb cuts
- For only only two parcels: 809 and 815 Mount Tabor Road

Could you informally advise me if this would meet the threshold for "a document request which is reasonably particular"?

Keep Moving Forward,
Colin
